

## REMARKS

In the Office Action the Examiner rejected Claims 14-17 and 24-29 under 35 U.S.C § 112 for reasons not relating to patentability. In the latter regard, the Examiner indicated that such claims would be allowable if rewritten to overcome perceived language indefiniteness issues. Applicant believes that such concerns have been overcome by the amendments made hereinabove.

Based upon the foregoing, Applicants believe that all pending claims are in condition for allowance and such disposition is respectfully requested. In the event that a telephone conversation would further prosecution and/or expedite allowance, the Examiner is invited to contact the undersigned.

Respectfully submitted,

MARSH FISCHMANN & BREYFOGLE LLP
